

# Mind Body Health Center

## Please Join Us For

A Double Session

## Parents Only Group!!

Come prepared to discuss an emotional or behavioral question or struggle you have at home with your child.

Leave with a step-by-step plan to implement at home.

Return 2 weeks later for a follow up discussion about how you have implemented the plan at home, changes you have observed, and additional strategic planning.

**Groups forming now – Please contact us now for available times and topics**

**Group Session Fee:** \$200 per group session. An invoice that can be submitted to insurance companies for out of network reimbursement will be provided to participants at time of payment.

**Space is Limited**
